PROGRAM INFORMATION

Whether looking to enhance your education, or taking your first steps toward a four-year degree, the AA two-year degree offering is the place to begin. With Missoula College/UM's easy transfer process, an Associates of Arts degree course work prepares Missoula College students to be competent, well rounded individuals who think critically, communicate effectively, and have the essential skills to thrive in today's world.

CAREER INFORMATION

The general AA degree is a great opportunity to receive a position anywhere. With its versatility, graduates can work in many different fields. Generally, however, this degree is poised as a transfer degree path that will directly set students up in junior level standing at the University of Montana or other institutions in Montana for students pursuing a bachelor's degree in psychology.
