

## 2023 President's Outstanding Student Award Recipients

### College of Business

Name	Major	Concentration	Nomination Statement
<b>Estelle Hyde</b>	Accounting	No Concentration	<p>The Accounting faculty are pleased to select Estelle Hyde for this award. Estelle has achieved outstanding academic performance, graduating with a 3.99 GPA. As important, she was an engaged and thoughtful participant in class, eager to learn and thoughtful in her approach. During her time in the College of Business, she worked in the Gianchetta Student Success Center as a student advisor, and interned at Pahlisch Homes, Inc. and CliftonLarsonAllen, LLP. After graduation, she is interning with BDO, LLP in Denver, CO. We are proud of her achievements, and excited for her future.</p>
<b>Christian Maxwell Hensley</b>	Finance	No Concentration	<p>We are pleased to nominate Christian for the President's Outstanding Student Award in Finance. Christian has been an engaged and high performing student in Finance, and a pleasure to have in class. While at UM he worked as a banking intern at Valley Bank of Kalispell. He aspires to work as a financial advisor after graduation.</p>
<b>Cameron Reid Dayton</b>	International Business	No Concentration	<p>Cameron was a triple major in International Business, Finance, and Japanese with an Economics minor and graduated with a 3.7 cumulative GPA. He was engaged in all his courses and performed exceptionally well across his entire academic program in both COVID-19 remote instruction as well as in the post-COVID F2F classroom. He is now working as a Financial Analyst with Nusenda Credit Union in Albuquerque, NM.</p>
<b>Kegan L. Morris</b>	Management & Entrepreneurship	No Concentration	<p>Kegan is an outstanding student who has contributed to every course he has taken. In addition to being an outstanding student, Kegan has balanced a variety of work and volunteer activities throughout his time in the College of Business, while also being a member of the UM Track and Cross Country teams. We have been fortunate to have him in our department. Kegan has started his career as a Regional Vice President for annuity products at WealthVest, a financial services firm in Bozeman.</p>

**Jacob Ryan Treece**

Marketing

No Concentration

Jacob is graduating with degrees in Marketing and Spanish, a minor in Psychology, and a certificate in Digital Marketing. He is also a member of the Davidson Honors College. While a student, he completed internships with Pathlabs and the Montana High Tech Business Alliance, and worked for the Blackstone LaunchPad. He has been an engaged and thoughtful student. After graduation, he will begin his digital marketing career with Pathlabs in Missoula.
