

OFFICE OF THE REGISTRAR

Dear UM Faculty & Staff,

Thankfully, **off-campus access to approve Course Add/Change/Drop requests and to submit electronic grade changes is now restored.**

You may access your worklist here:

<https://workflow-prod.ec.umt.edu/wfprod/home/worklist.do>.

This is the same URL that is in all email notifications sent after October 1.

If you encounter a single sign-on error or the link otherwise behaves badly, please [try a private browser](#) or clear the browser cache.

If you are abroad and find that these solutions don't work, please let our [registration team](#) know.

Many thanks to UM's IT team for their persistence, and to all of you for your understanding.
