

Barnhart, Dawn

From: Registration
Subject: Action requirements for Spring 2024 Registration

Good Afternoon,

We are sending this email to notify you of a new requirement in place for Spring Semester 2024. All students are now required to agree to the **Financial Responsibility Agreement** before registering for classes. By completing this agreement, students acknowledge their financial obligations and understanding of the University's financial policies.

Once your actions have been completed you will be able to register for Spring courses. *You can complete your actions any time from now through the registration process.*

Please contact Student Accounts at (406) 243-2223 or UMstudentaccts@mso.umt.edu should you have further questions or concerns about the contents of the Financial Responsibility Agreement.

How to Complete the Agreement

The Financial Responsibility Agreement will appear as an action item popup box under your name on your student profile page before you will be able to proceed to the registration module in Cyberbear.

You will also see an action to verify your mailing and physical residence addresses.

For help completing these actions items, refer to the **Action Item Instructions** with step-by-step screenshots.

Thank you!

Registrar's Office

Follow up to the email sent by the Director of Student Accounts on October 27, 2023.
