

OFFICE OF THE REGISTRAR

**Dear Students,**

You may submit autumn 2023 course add, change, or drop requests **until 11:59 p.m. on Friday, December 8.**

This is a correction to the [standard reminder](#) sent last week that the deadline was 5 p.m. on Friday, December 8.

However - don't delay submitting requests! They take time to review and could be denied which may change your plans for finals.

Per [University policy](#), students may only drop courses for exceptional circumstances at this point in the term.

Thank you!

**Office of the Registrar**
