

**Dear Faculty & Staff,**

As part of UM's ongoing efforts to comply with federal financial aid regulations, we must request that all instructors of record select a method of determining that students began attending their courses in the first fifteen class days.

Options include:

- EAB Navigate [early alert \(overview, definitions, and more info\)](#)
- In-class weekly quiz or weekly assignment
- iClickers
- Moodle logs (see [Finding Last Date of Attendance from Moodle document](#))
- Moodle attendance module
- Banner attendance module (see [Attendance Tracking Tutorial](#) document)

Please watch for a detailed email tomorrow regarding the new look for the faculty and advisor section of CyberBear.
