

Good afternoon UM Faculty & Staff,

We sent the following reminder a moment ago to all students enrolled in summer classes. You may wish to announce the deadlines applicable for your class, remind advisees, or share this info with your colleagues.

Instructors, please double-check your rosters (Faculty Class List and Waitlist in [CyberBear](#)) to make sure all students attending are officially enrolled.

2nd Session Instructors: don't forget - you can still issue [digital registration overrides](#) to allow students to register through these dates:

5-Week Session II: [Friday, June 30](#)

7-Week Session II: [Wednesday, July 12](#)

Other dates for all sessions are linked below.

Thank you!

Your request will take time to review and could be denied by your instructor, adviser or dean, which may change your plan for finals.

Per [University policy](#), students may only drop courses for exceptional circumstances after a set date in the term. This date is equivalent to the 45th day of instruction during a regular term. The set dates are specific to the summer session and are found on each session's registration deadline chart. Be sure to discuss your request with your instructor, adviser, and/or dean immediately.

- If you have not paid/finalized your registration bill and you wish to cancel your entire summer class registration, email registration@umontana.edu from your UM email account. Include your 790 number.
- You can't drop your only/last summer class on CyberBear. To do so, submit a [Semester Withdrawal form](#) for partial refunds where applicable. For refund questions, review the [semester withdrawal refunds page](#). For further assistance, call Student Accounts at 406-243-2223.
- **Students who recently registered for late session classes must pay their registration bill by July 12.** [More information from Student Accounts/Business Services is online.](#)
